[illegible]

Examiner: Unknown

I hereby certify that this correspondence is being deposited with the U.S. Postal Service as First Class Mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on the date indicated below:

Dan R. Christen  
Printed Name

April 23, 1999  
Date

**Signature**

RECEIVED  
MAY 10 1999  
OFFICE OF PETITIONS  
DEPUTY A/C PATENTS

Dear Sir:

This Declaration is made as to the pertinent facts that are relied upon to establish that a diligent effort was made to secure the execution of an Inventors' Declaration by an inventor who cannot be found for the above-identified reissue patent application.

This Declaration is being made by the undersigned, having first-hand knowledge of the facts recited therein.

I, Dan R. Christen, do hereby declare that:

1. I am a registered patent attorney commissioned on behalf of Sun Microsystems, Inc. to procure filing of the above captioned matter before the U.S. Patent and Trademark Office.

2. A reissue patent application was prepared for the captioned matter, the technical substance and scope of which has been approved by each of the present joint inventors.

04/27/1999 NTEKLENI 00000042 09159509

**02 FC:122**

**130.00 OP**

3. The last known address for joint inventor Dan D. Browning is 3223 Scott St. #14, San Francisco, CA 94123. This address is from the declaration Mr. Browning executed on January 21, 1991 in the parent patent application (filed November 30, 1990, serial no. 07/621,474).

4. The undersigned mailed two letters to Mr. Browning's last known address indicating Sun Microsystems' desire to pursue a reissue application. Both of these letters were returned to the undersigned along with the word "Unclaimed" stamped across the mailing envelope. Copies of the envelopes are incorporated herein as "**Exhibit A**".

5. I performed an internet search of telephone numbers for "D Browning" in the state of California using Yahoo's people search function. I instructed my legal assistant, Dena Poudrier to call each number on the list to try and find Mr. Browning. Mrs. Poudrier's declaration is attached hereto as "**Exhibit B**". A copy of the internet search results page is attached hereto as "**Exhibit C**".

6. Sun Microsystems is unaware of Mr. Browning's current whereabouts, as are each of the other named inventors. Thus, Applicant cannot locate Mr. Browning.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Dan R. Christen".

Dan R. Christen
